Other states - depending on size	around 480-840 Euro
Other services	
Projects in the range of 1-100 hours	25 Euro/ 1 hour
Larger projects	to be agreed

\* Where possible, we prefer to work with openly available quality map layers to save client's costs. Our price includes finding appropriate map layers, their preparation and editing, adding symbology and setting other properties. In cases when paid base maps are required, we will find the most cost efficient solution for you.
